LIHUE FAIR
BIG THINGCanavaro is Honored.
Temporary County
Offices, etc.

LIHUE, June 24.—Saturday, June 17th, the Day of the Fair, will be a red letter day long to be remembered in the annals of Lihue. A forest of flying flags, festal arches, waving garlands, and the sound of martial music, apprised the stranger, even from afar, that something unusual was happening. On that day all roads led to the Fair, and every road was astir with traveling feet and speeding carriages from all sections of the island, as well as from Honolulu in generous numbers and from all races of our cosmopolitan population, a joyous happy throng surged through the gates of the fair ground and sought out the various attractions there set forth.

After the manner of the famous Princes street in Edinburgh the shops faced an open park, with a canopied avenue, profusely decorated, running the length of them.

And the man who started down that avenue with full pockets, found himself "dead broke" and richly freighted with things more or less sweet, dainty, artistic, valuable, or useless long before he reached the ice cream soda at the end.

The Hall debt of \$1400 has been paid off and there is money left in the treasury. Great credit is due the ladies of Lihue and elsewhere for their untiring, enthusiastic work in the preparation and conduct of the Fair.

COUNTY OFFICES.

Temporary offices for county officials will be fitted up, in the little cottage just opposite Lihue Plantation office. No other building will be available. The appropriation for the County Building passed under the old County Act expires at the end of this month.

LIHUE BOWLING CLUB.

Once more the Isenberg's liberality has provided Lihue with a place of recreation and amusement, and again our hard worked plantation people have reason to thank their best friends for a new and novel opportunity to meet in friendly bout and forget for some hours that Sugar is king here.

Mr. Alexander Isenberg of Honolulu having presented the plantation people with one of the most expensive double track bowling alleys made by the celebrated Brunswick, Balke-Collerander Company of Chicago, a club was quickly formed, consisting of some 20 charter members.

CAMPSIE CHANGES.

Last Tuesday evening Mr. and Mrs. James Campsie departed from Kauai on the Mikahala, to make their home on Hawaii.

Mr. Campsie has been head luna of Kilauea plantation for the last four years and has been a resident of Kauai for the last eleven years. Mr. Campsie married Miss Henrietta Neal of Koloa in 1900 while Mr. Campsie was head

THE TRUTH ALWAYS.

"When you are in doubt tell the truth." It was an experienced old diplomat who said this to a beginner in the work. It may pass in some things, but not in business. Fraud and deception are often profitable so long as concealed; yet detection is certain sooner or later; then comes the smash-up and the punishment. The best and safest way is to tell the truth all the time. Thus you make friends that stick by you, and a reputation that is always worth twenty shillings to the pound everywhere your goods are offered for sale. We are able modestly to affirm, that it is on this basis that the world-wide popularity of WAMPOLE'S PREPARATION rests. The people have discovered that this medicine is exactly what it is said to be, and that it does what we have always declared it will do. Its nature also has been frankly made known. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. A combination of supreme excellence and medicinal merit. Nothing has been so successful in Anemia, Scrofula, Bronchitis, Influenza, Loss of Flesh and Wasting Diseases, Weakness and Low Nervous Tone, and all complaints caused by Impure Blood. Dr. Austin D. Irvine, of Canada, says: "I have used it in cases where cod liver oil was indicated but could not be taken by the patient, and the results following were very gratifying." It cannot deceive or disappoint you, is effective from the first dose and comes to the rescue of those who have received no benefit from any other treatment. It represents the dawn of progress. Sold by all chemists everywhere.

LAST MATCH
AT TRAPSGun Club Makes Ready
For the Live
Birds.

The last clay-pigeon match of the Honolulu Gun Club for the season was held yesterday at the gun club quarters in Manoa valley. A large crowd of gun enthusiasts was present and some fairly good shooting was done.

At noon the order to cease firing was given by the general in command, or at least the board of strategy comprising H. E. Gares, K. B. Porter and Irwin Spalding, and an excellent lunch was partaken of. There was fine chowder, potato salad, ham, sausage, pickles, bread and butter and cold beer. Mrs. J. W. Harvey acted as hostess for the club.

Keen interest was displayed in all the events, and there was a prodigious amount of ammunition discharged at the clays, and much of it wasted. Even some of the best shots of the club were not at their best yesterday, failing to score when it was expected of them. There was one interesting shoot-off between W. E. Wall and H. E. Gares. They had tied in the general match and then decided to shoot off for five birds. Each took four and tied again. The next five gave each three, the next two, the next one, and finally Mr. Wall made one bird after Mr. Gares had scored goose eggs in his five shots.

J. W. Harvey and K. B. Porter were, as usual, up toward the head. In fact, it is hard to beat Harvey. E. I. Spalding made some fine records, and Mr. Lanz, in spite of some waste of ammunition, did some fine shooting at times.

On July 1, next Saturday, the dove season opens, and the members of the gun club will desert the traps for the keener sport of shooting at real birds on the wing. Large parties are expected to roam over the island on Saturday and Sunday.

luna of McBryde plantation, and shortly after they moved to Kilauea, where Mr. Campsie has been employed ever since.

Mr. Campsie and family are first going to visit Mr. Conant on Hawaii for a short time, and then they are going to Pahala plantation, where Mr. Campsie has accepted the position of head luna from William Ogg, the manager.

CANAVARRO ENTERTAINED.

Last Monday Mr. A. de Souza Canavaro, the Portuguese consul to the Territory of Hawaii, was entertained at Lihue by the Portuguese people and by a few prominent citizens. Mr. Canavaro was entertained at dinner at Kapapa by the Reverend Father Adelbert, who had invited a good number of prominent Lihue Portuguese to meet the Consul. Monday Mr. Canavaro was shown over Lihue Plantation and expressed himself as greatly pleased with the fine condition of the plantation and the commendable manner in which the plantation employees are treated and quartered.

KAUAI NOTES.

The Lihue road board is constructing a fine piece of road just this side of the Wailua bridge. This has for many years been a miserable stretch of road, rutty, up-and-down, no wider than a wagon track and full of half-exposed rocks. Mr. Palmer is having the rocks removed, leveling the grade and is widening the road to a convenient width.

Lihue roads are by far the best roads on the island, but such ought not to be the case long now that Hanalei is to have \$100,000 spent on her heavy traffic thoroughfares.

Mr. Norman Gage departed for Oahu by the last Manahua, where he will marry Miss Helen Aldrich, a niece of Mrs. Wm. King of Makaweli. Mr. and Mrs. Greig intend to return in a month or so.

Mr. Turnbull, formerly bookkeeper on Koloa plantation, left last Saturday for Honolulu, en route to Hilo, where he has accepted a position on one of the Hackfeld plantations on Hawaii.

COUNTY OFFICERS
FOR KAUAI ISLE

LIHUE, June 24.—The county officials for Kauai are as follows:

Supervisors—T. Brandt, Waimea District; W. D. McBryde, Koloa District; H. D. Wishard, Lihue District; R. Puuiki, Kawaihau District; D. Kanehiki, Hanalei District.

Deputy Sheriffs—W. O. Crowell, Waimea District; Henry Blake, Koloa District; S. K. Kaeo, Lihue District; Wm. Maheula, Kawaihau District; J. K. Lota, Waimea District.

Sheriff—W. H. Rice, Jr.

Auditor—E. Omgsted.

County Clerk—O. Omgsted.

Treasurer—A. H. Rice.

County Attorney—John D. Willard.

In Koloa there were three candidates for Deputy Sheriff; in Kawaihau and Hanalei two candidates for both Supervisor and Deputy Sheriff, with results as follows:

Supervisor, Kawaihau—Jarvis, Rep., 64; Puuiki, Dem., 67; Hanalei—Willis, Rep., 60; Kanehiki, Dem., 73.

Deputy Sheriff, Koloa—Blake, Rep., 64; Hipo, Dem., 49; Mikaele, Civic Fed., 2.

Kawaihau—Maheula, Rep., 72; Hase, Dem., 59; Hanalei—Lota, Rep., 114; Kanewannui, Dem., 29.

THE VOTING
ON HAWAIIPreparations for Fourth
of July at Hilo.
Personal.

HILO, June 23.—The following shows the total vote of the candidates for the county of Hawaii:

Sheriff.—Keolanui, 1345; Searle, 1113. Clerk.—Edmonds, 1103; Pua, 1253. Auditor.—Maguire, 1183; Wise, 1163. County Attorney.—C. Williams, 1163; W. S. Wise, 1104.

Treasurer.—Lalakea, 1242; Lyman, 1135.

Supervisors.—Baker, 292; Desha, 289; E. Lyman, 311; Moir, 421; Mokuakane, 140; Fernandez, 165; Makekau, 91; Thomas, 22; Woods, 24; Atcherly, 77; Kalaikwa, 368; Kamaouha, 276; Hewitt, 76; Shipman, 152.

Deputy Sheriffs.—Hanaheo, 148; Kaiwi, 112; Fetter, 418; Laeha, 41; Mattoon, 50; Kellipuleole, 125; Rickard, 164; Kawai, 31; Lindsay, 61; Kunane, 0; Pulaa, 175; Stillman, 68; Kellikoa, 325; Nahale, 128; Baker, 195; Kekuewa, 103; Hayselden, 116; Kekaula, 119.

Of the supervisors the Republicans have a majority. Woods, Shipman and Kellikoa are the Democrats against Moir, Fernandez, Desha and Makuaikane.

It is said that the defeat of Searle was due in a measure to the fact he was a Carter man selected to take the place of Andrews and upon the fact that in Kona there was an opposition that worked in the dark. The Kona clique was not, however, solely against Searle; its influence was felt by all of the Republican candidates. That opposition was engendered, it is said, by some enthusiastic supporter of the Republican candidates who had circulated a rumor reflecting upon the integrity of Mr. Maguire. His friends in Kona resented the charge in a costly manner to most of the other candidates.—Hilo Herald.

HIGH SCHOOL WANTED.

A high school in Hilo would probably keep at home a number of young ladies and boys who have been and are still forced to go to Honolulu to put finishing touches on their educations. But in addition to the building there must be a corps of efficient teachers and for the latter the board of education will be held responsible.

NOTES.

Miss Myra Mabry returned from Honolulu yesterday and will spend the summer vacation with her parents.

August Ahrens has gone to Mexico under contract to erect a sugar mill for the Honolulu Iron Works. Miss Minna Ahrens and her sister, Irene, the only members of the family remaining in Hilo, leave for Honolulu tomorrow.

The Hawaii Jockey Club are sparing neither pains nor expense to make the Fourth of July races a successful occasion. They have provided an unusually attractive program for the spectators, and a card of events replete with brilliant sports from beginning to end. The list of prizes offered aggregate over seventeen hundred dollars, besides the Japanese sweepstakes race, in which the winner takes the aggregate entry fees.

The match baseball game to be played on the Fourth of July at Honolulu Park between All-Hilo and All-Hawaii teams, promises some lively ball playing. A selected nine from Hilo will cross bats with a picked team from the entire island. Embert M. Brown is putting the Hilo team in training, and A. C. Palfrey of Papaloa is gathering an aggregation of crack players, who expect to carry off the \$75 prize offered.

Conradt Hayes, a German youth, twenty-four years of age, formerly employed in the Hilo Electric Works, confessed to burglarizing the cigar store of S. C. Shaw of \$57.10 on Saturday night, and is now confined in Hilo jail awaiting the penalty of the law for his crime.

Treasurer Geo. W. Lockington reports about five hundred dollars in the St. James Guild and Church treasuries. The money will go toward the purchase price of a lot on which a church building will be erected.

There is a well grounded rumor that George Lycurgus will build a hotel on the site where Hotel Demosthenes now stands.

Miss Daisy Lishman is visiting her relatives at Hakalau.

Mrs. M. D. Cook, of Honolulu, who has been visiting her son, T. E. Cook, in Oahu, has just recovered from a ten days' attack of grip.

SELF CURE NO FICTION!

MARVEL UPON MARVEL! NO SUFFERER NEED NOW DESPAIR, but without running a doctor's bill or falling into the deep ditch of quackery, may safely, speedily, and economically cure himself without the knowledge of a second party. By the introduction of the New Remedy, THERAPION, a complete revolution has been wrought in this department of medical science, whilst thousands have been restored to health and happiness who for years previously had been merely dragging out a miserable existence.

THERAPION No. 1 in a remarkably short time, often a few days only, effects a cure, superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases.

THERAPION No. 2, for impurity of the blood, scurfy, pimples, spots, blotches, pains and swellings of the joints, gout, rheumatism, secondary symptoms, etc. This preparation purifies the whole system through the blood, and thoroughly eliminates all poisonous matter from the body.

THERAPION No. 3, for nervous exhaustion, impaired vitality, sleeplessness, and all the distressing consequences of dissipation, worry, overwork, etc. It possesses surprising power in restoring strength and vigor to the debilitated.

THERAPION

Is sold by principal Chemists throughout the world. Price in England 2/6 and 4/6. In ordering, state which of the three numbers required, and observe that the word "THERAPION" appears on British government Stamp (in white letters on a red ground) affixed to every package by order of His Majesty's Royal Commissioners, and without which it is a forgery.
